MRS. FRANCES L. DUNAWAY

With much pride and admiration, we, the Class of 1955, dedicate our Senior Crimson to you, Mrs. Dunaway.

Through your many contributions in both curricular and extra-curricular activities, you have won the respect and appreciation of all.

The impression which you have made on us as a teacher and friend will not soon be erased. May the future hold much happiness for you.

MR. WILLIAM JASPER

We, the class of 1955, are indeed honored to have our Senior Crimson dedicated to you.

You have been much admired by the members of the senior class for your outstanding qualities of sportsmanship and leadership, both in school and on the athletic field. This dedication shows in a small way the high regard we all have of you.

We wish you the best of luck in the future in all you undertake.

## Foreword

We, the Class of 1955, are proud to present this issue of the Senior Crimson, as it is a part of us.

The things which we have done at Manual, we now can do no more, but we need only to turn to this Crimson to renew these happy memories.

We wish to thank those whose hard work, time, and contributions helped make this issue possible. It is gratifying to do a task and to do it well. This best describes our Crimson.

## Editorial

Yes, that day of days is just around the corner! The day we once set as a high goal to attain is fast drawing near. For the past three years we have been molding ourselves mentally for newer and higher goals in life—in higher education, apprenticeship, or in entirely different and newer fields.

We will always keep a warm spot deep in our hearts for those faculty members at Manual with whom we have rubbed elbows. These educators and friends have helped us along the way toward attaining that goal, not only through book learning but also by kindly chats which they have always been glad to have whenever an occasion has arisen.

The friends we have made while we have been here have all contributed to our attaining that goal—whether it is the girl (or boy) we met at the end of lunch and walked to class or the fellow with whom we played football.

As we leave these hallowed halls, we should not look backward and see what we wish we had done but we should look forward and—with the help of God—try to attain those new and higher goals, using the training we have received.

R. B. L.

"M" CLUB

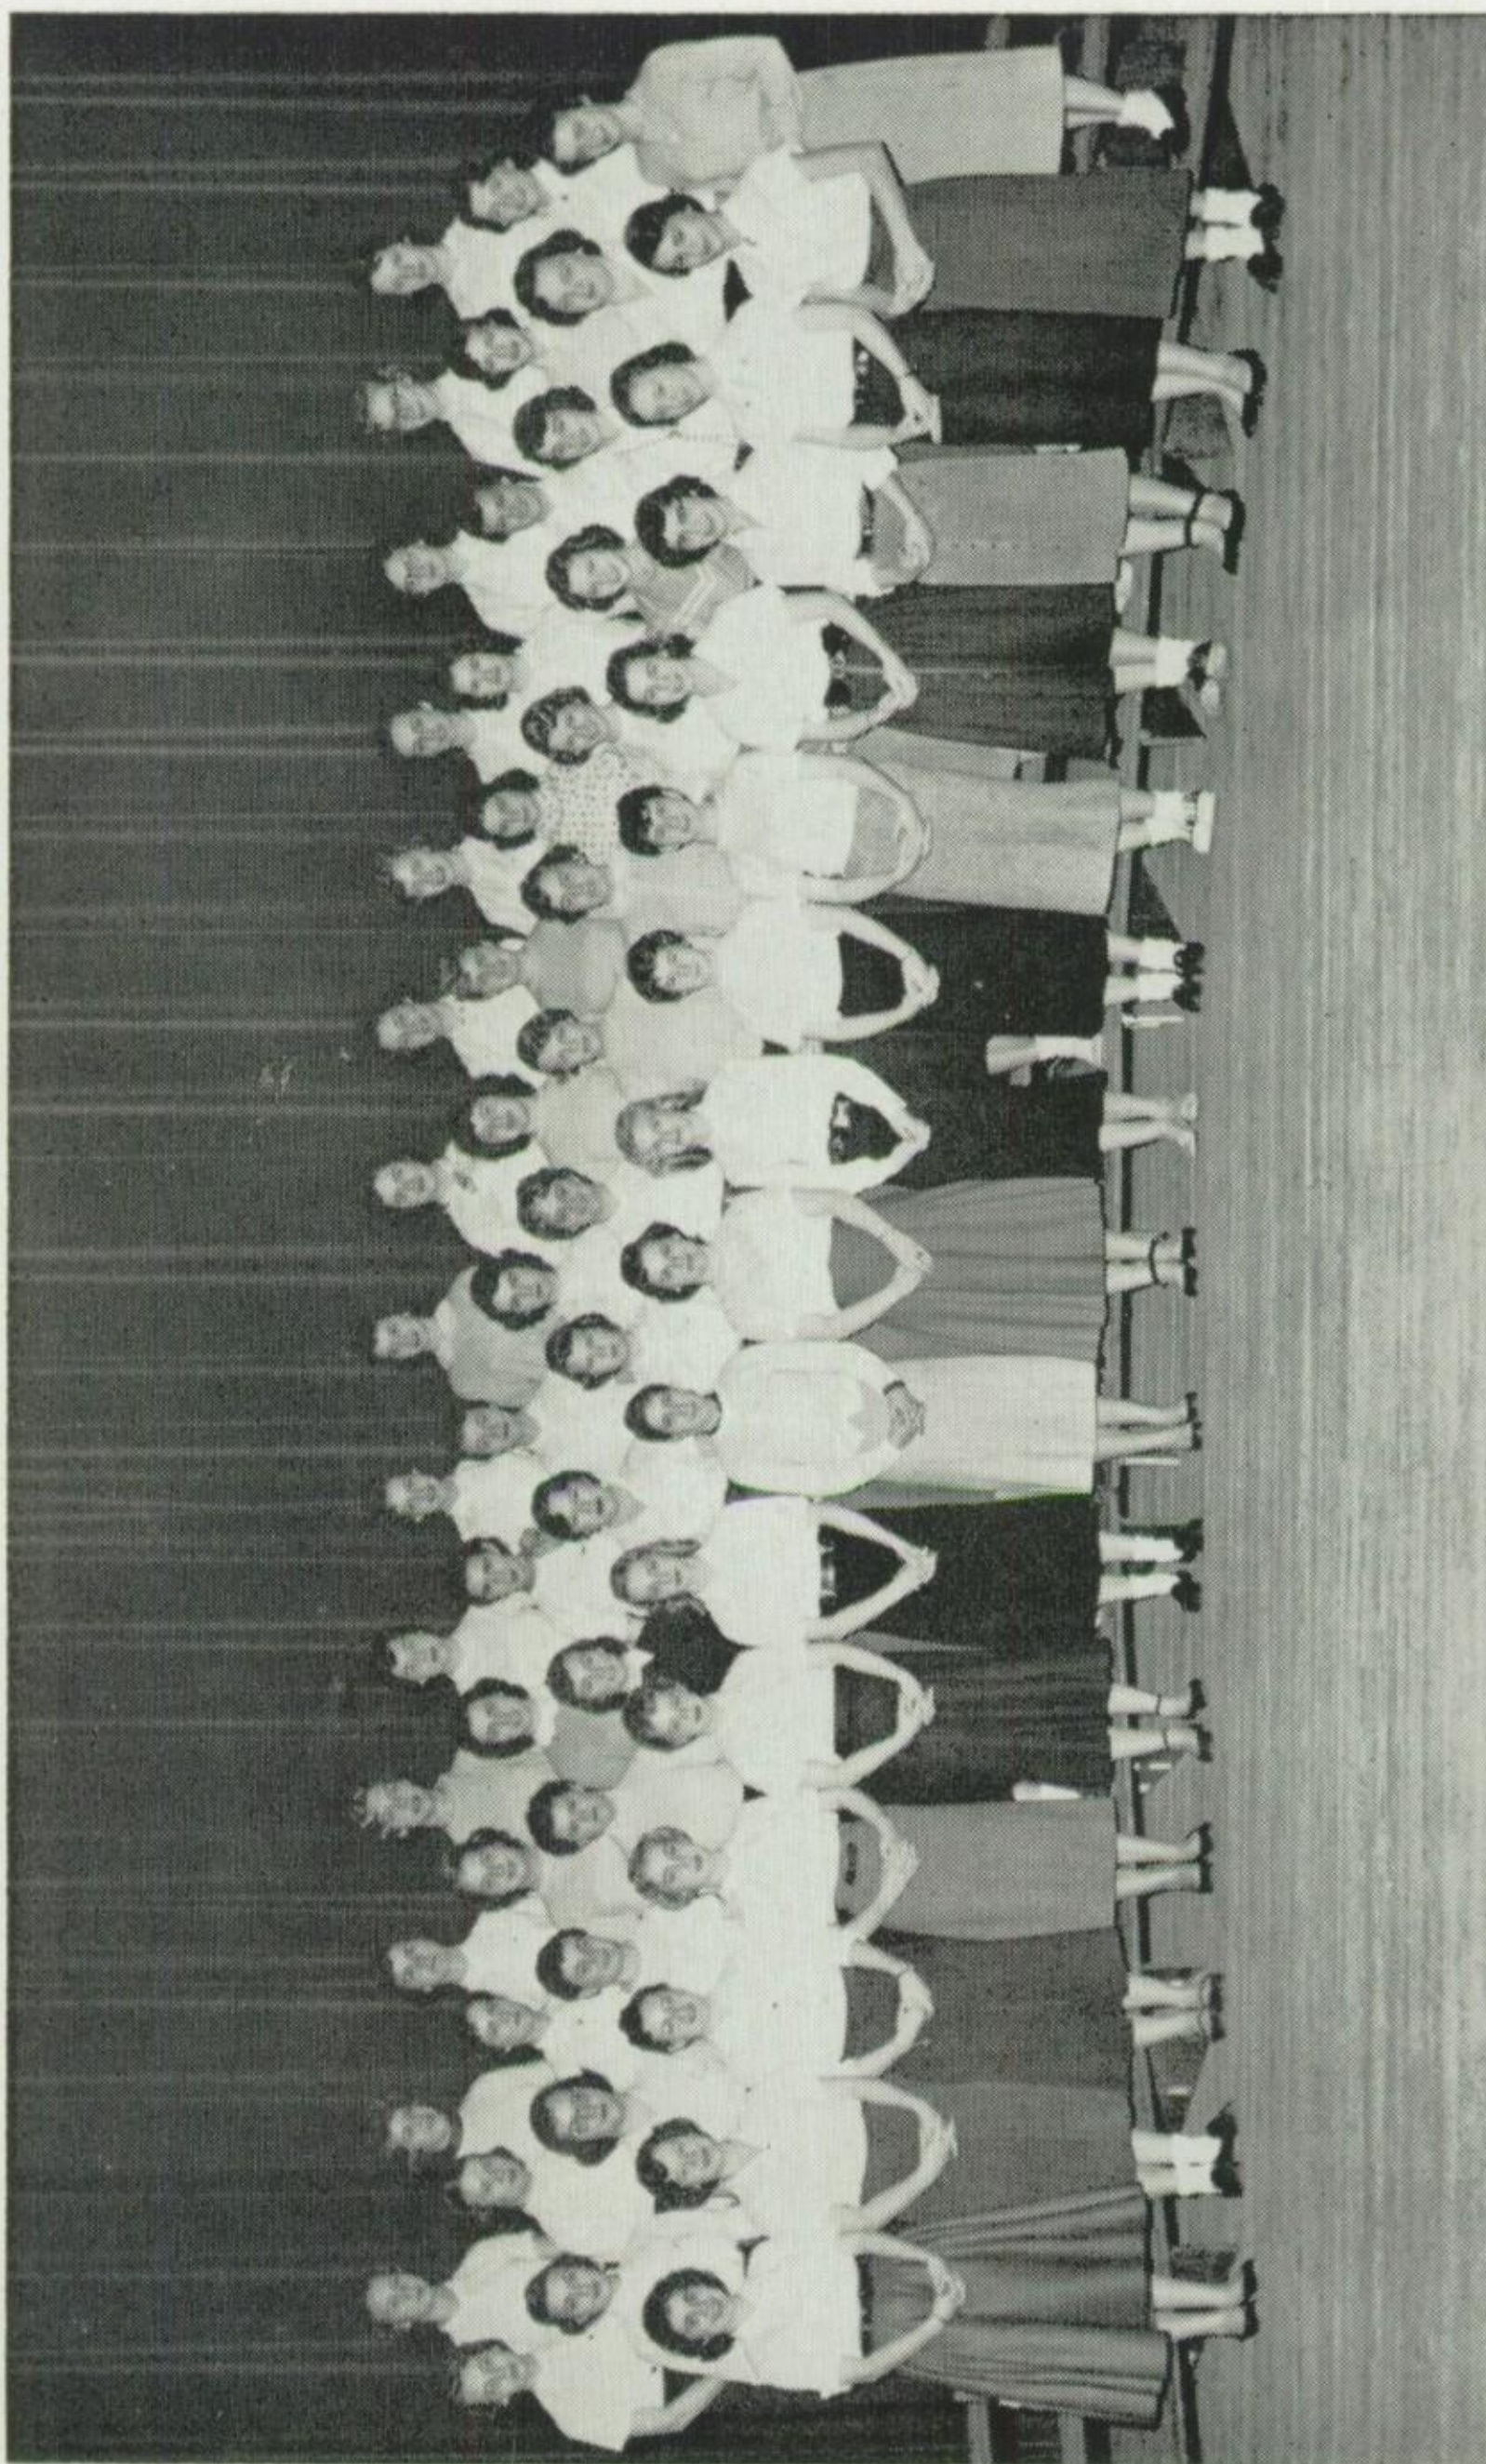

## "M" Club

The "M" Club is one of the oldest clubs at Manual. Every athlete or cheerleader who has won a varsity letter at Manual has belonged to this club. Admission to this club is automatically gained by receiving an "M". Its purposes are to honor its members, encourage good sportsmanship, and instill the Manual spirit in the student body. We believe that this club will remain at Manual as long as there are sports activities here.

The club wishes good luck to the class of 1955.

ADVANCED GIRLS' CHORUS

## Advanced Girls' Chorus

This year Manual's Girls' Chorus has had a very active season. Our 65 members have sung at assemblies at Manual, at churches, and at the vesper service at the Kentucky Military Institute.

We had a very successful group of singers at the Regional Contest at Southern High School this year. Three solos, two quartets, and one ensemble received "superior" ratings for their efforts and represented Manual at the State Contest in Lexington on April 29. The chorus sang on April 30.

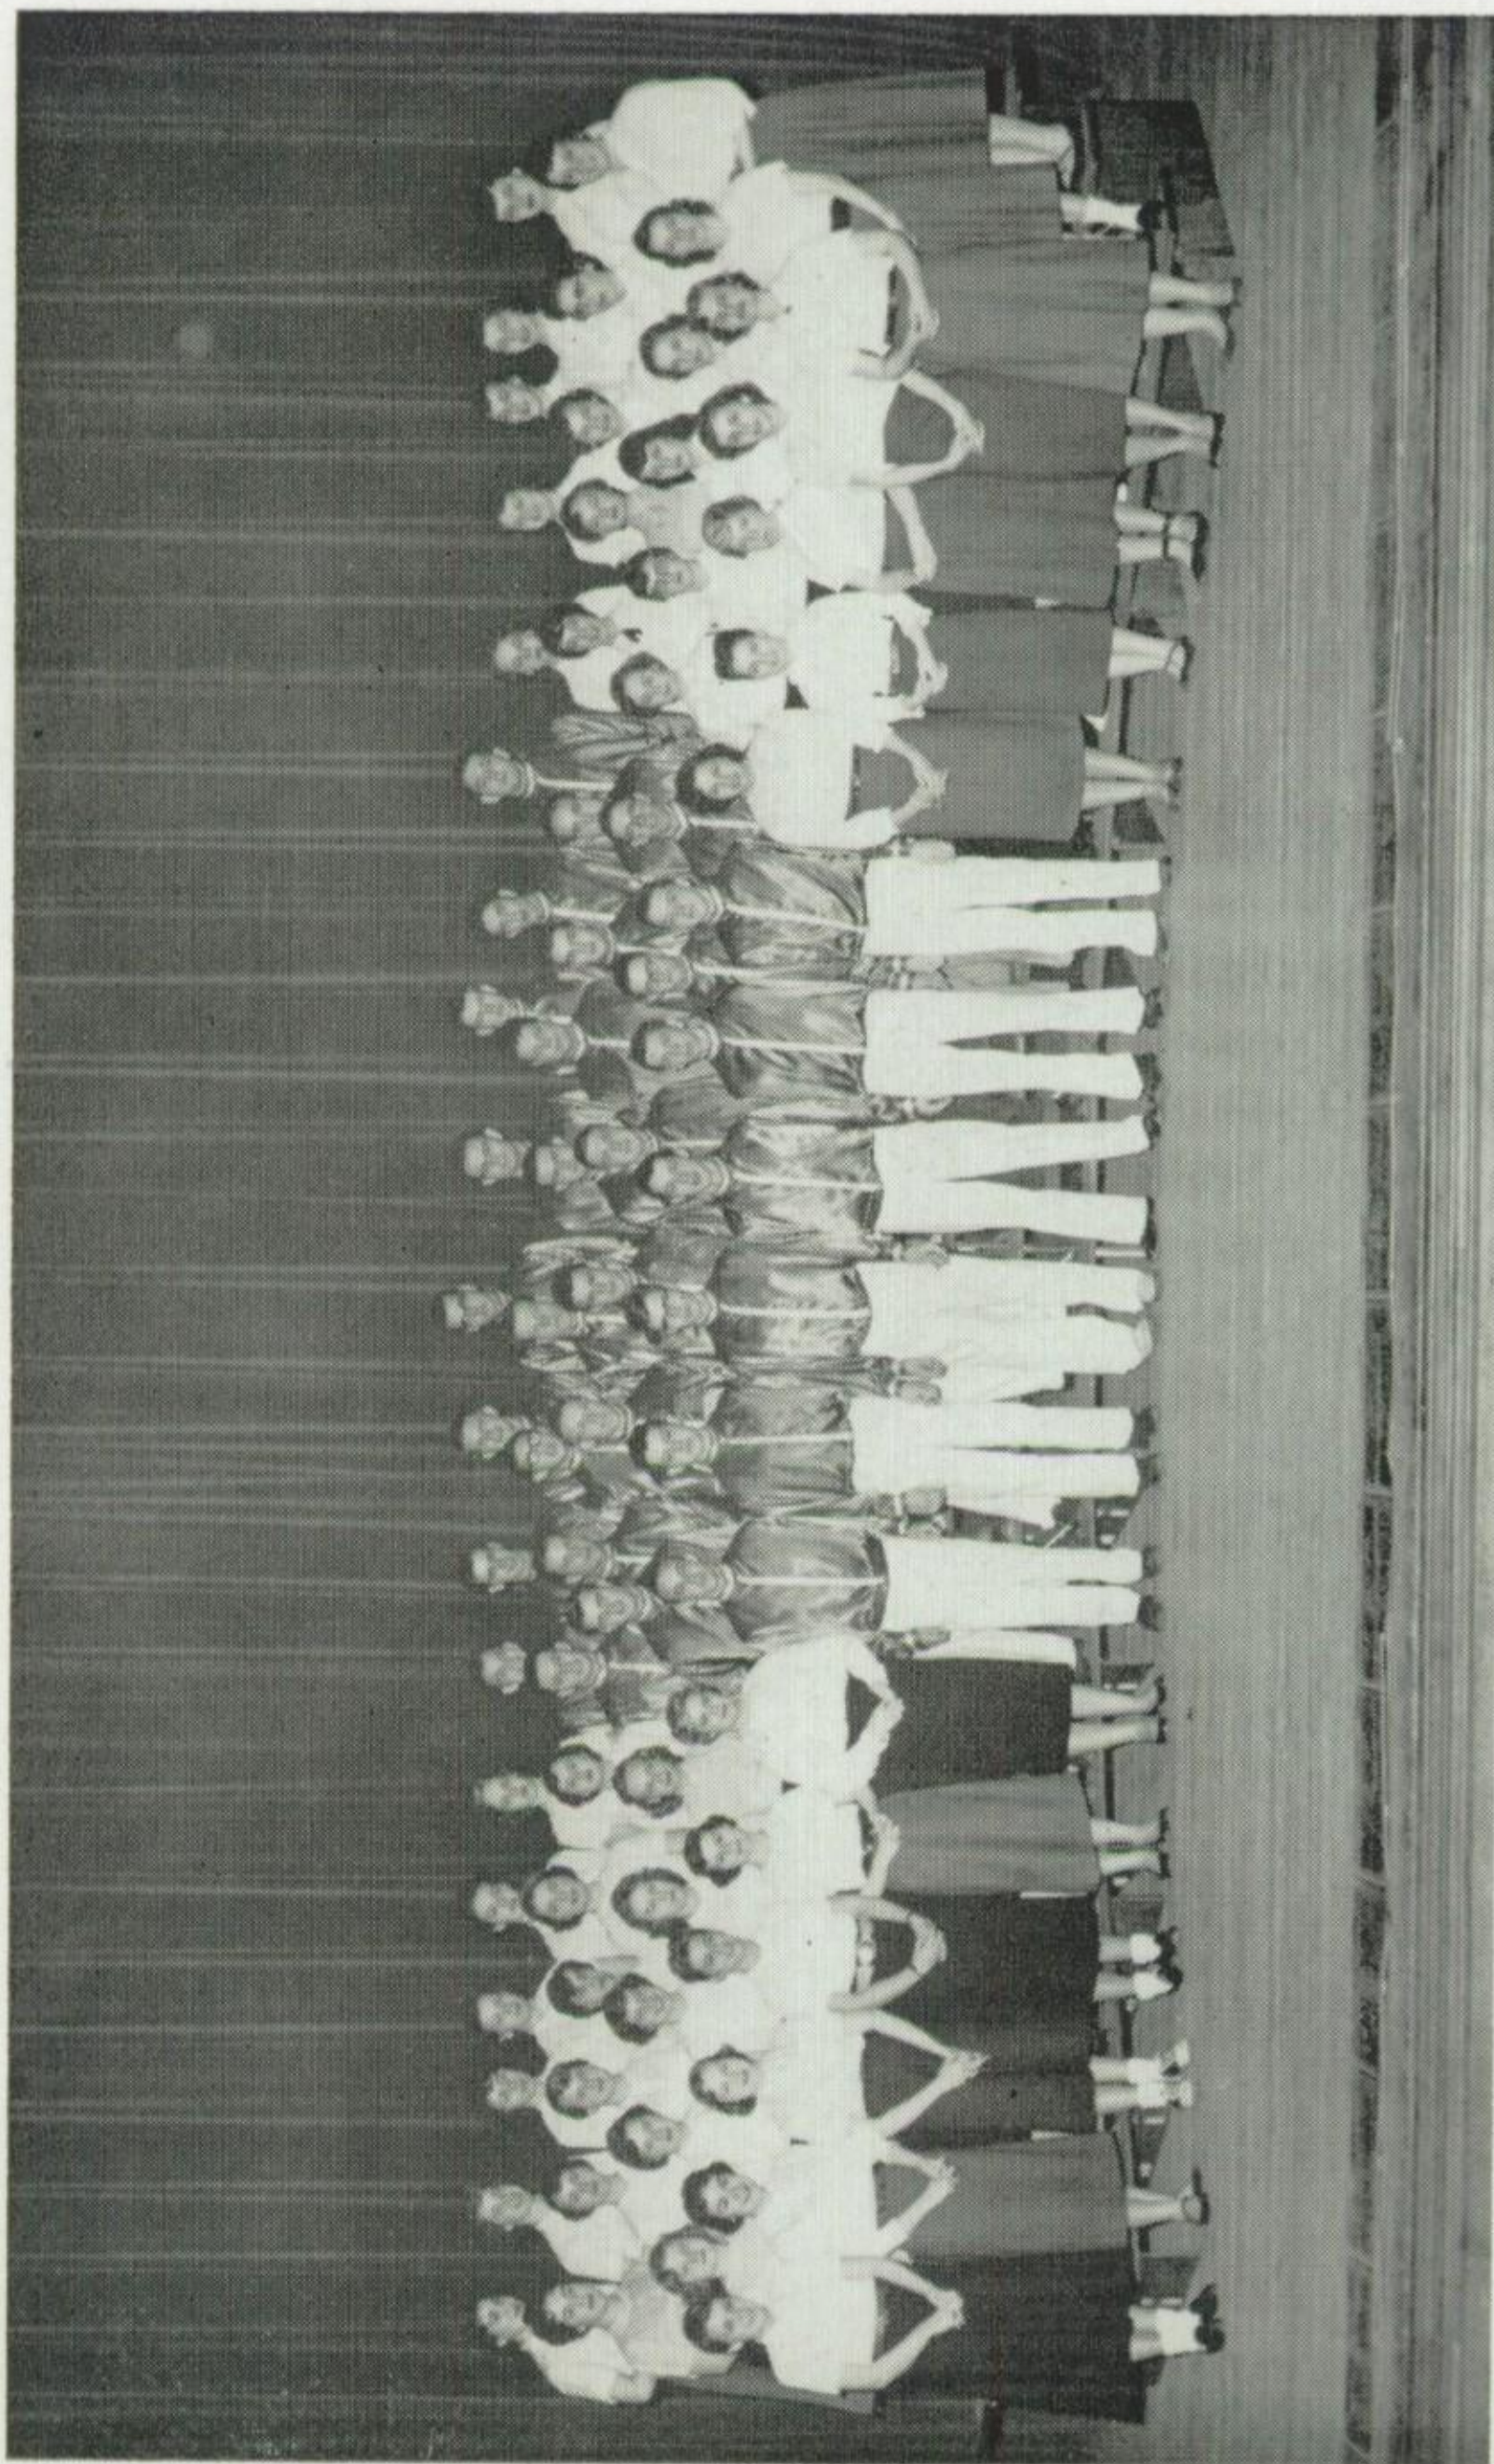

We wish to thank Mrs. Catherine Higgins for being such a meticulous director in guiding us through a successful season.

We have 17 graduating seniors this year. We wish them lots of luck in the future.

The Officers are:

President .....	Jo Ann Strange
Vice President .....	Printha Potter
Secretary .....	Sara Lawler
Treasurer .....	Connie Woodward
Librarian .....	Joyce Meyer

MIXED CHORUS

## Mixed Chorus

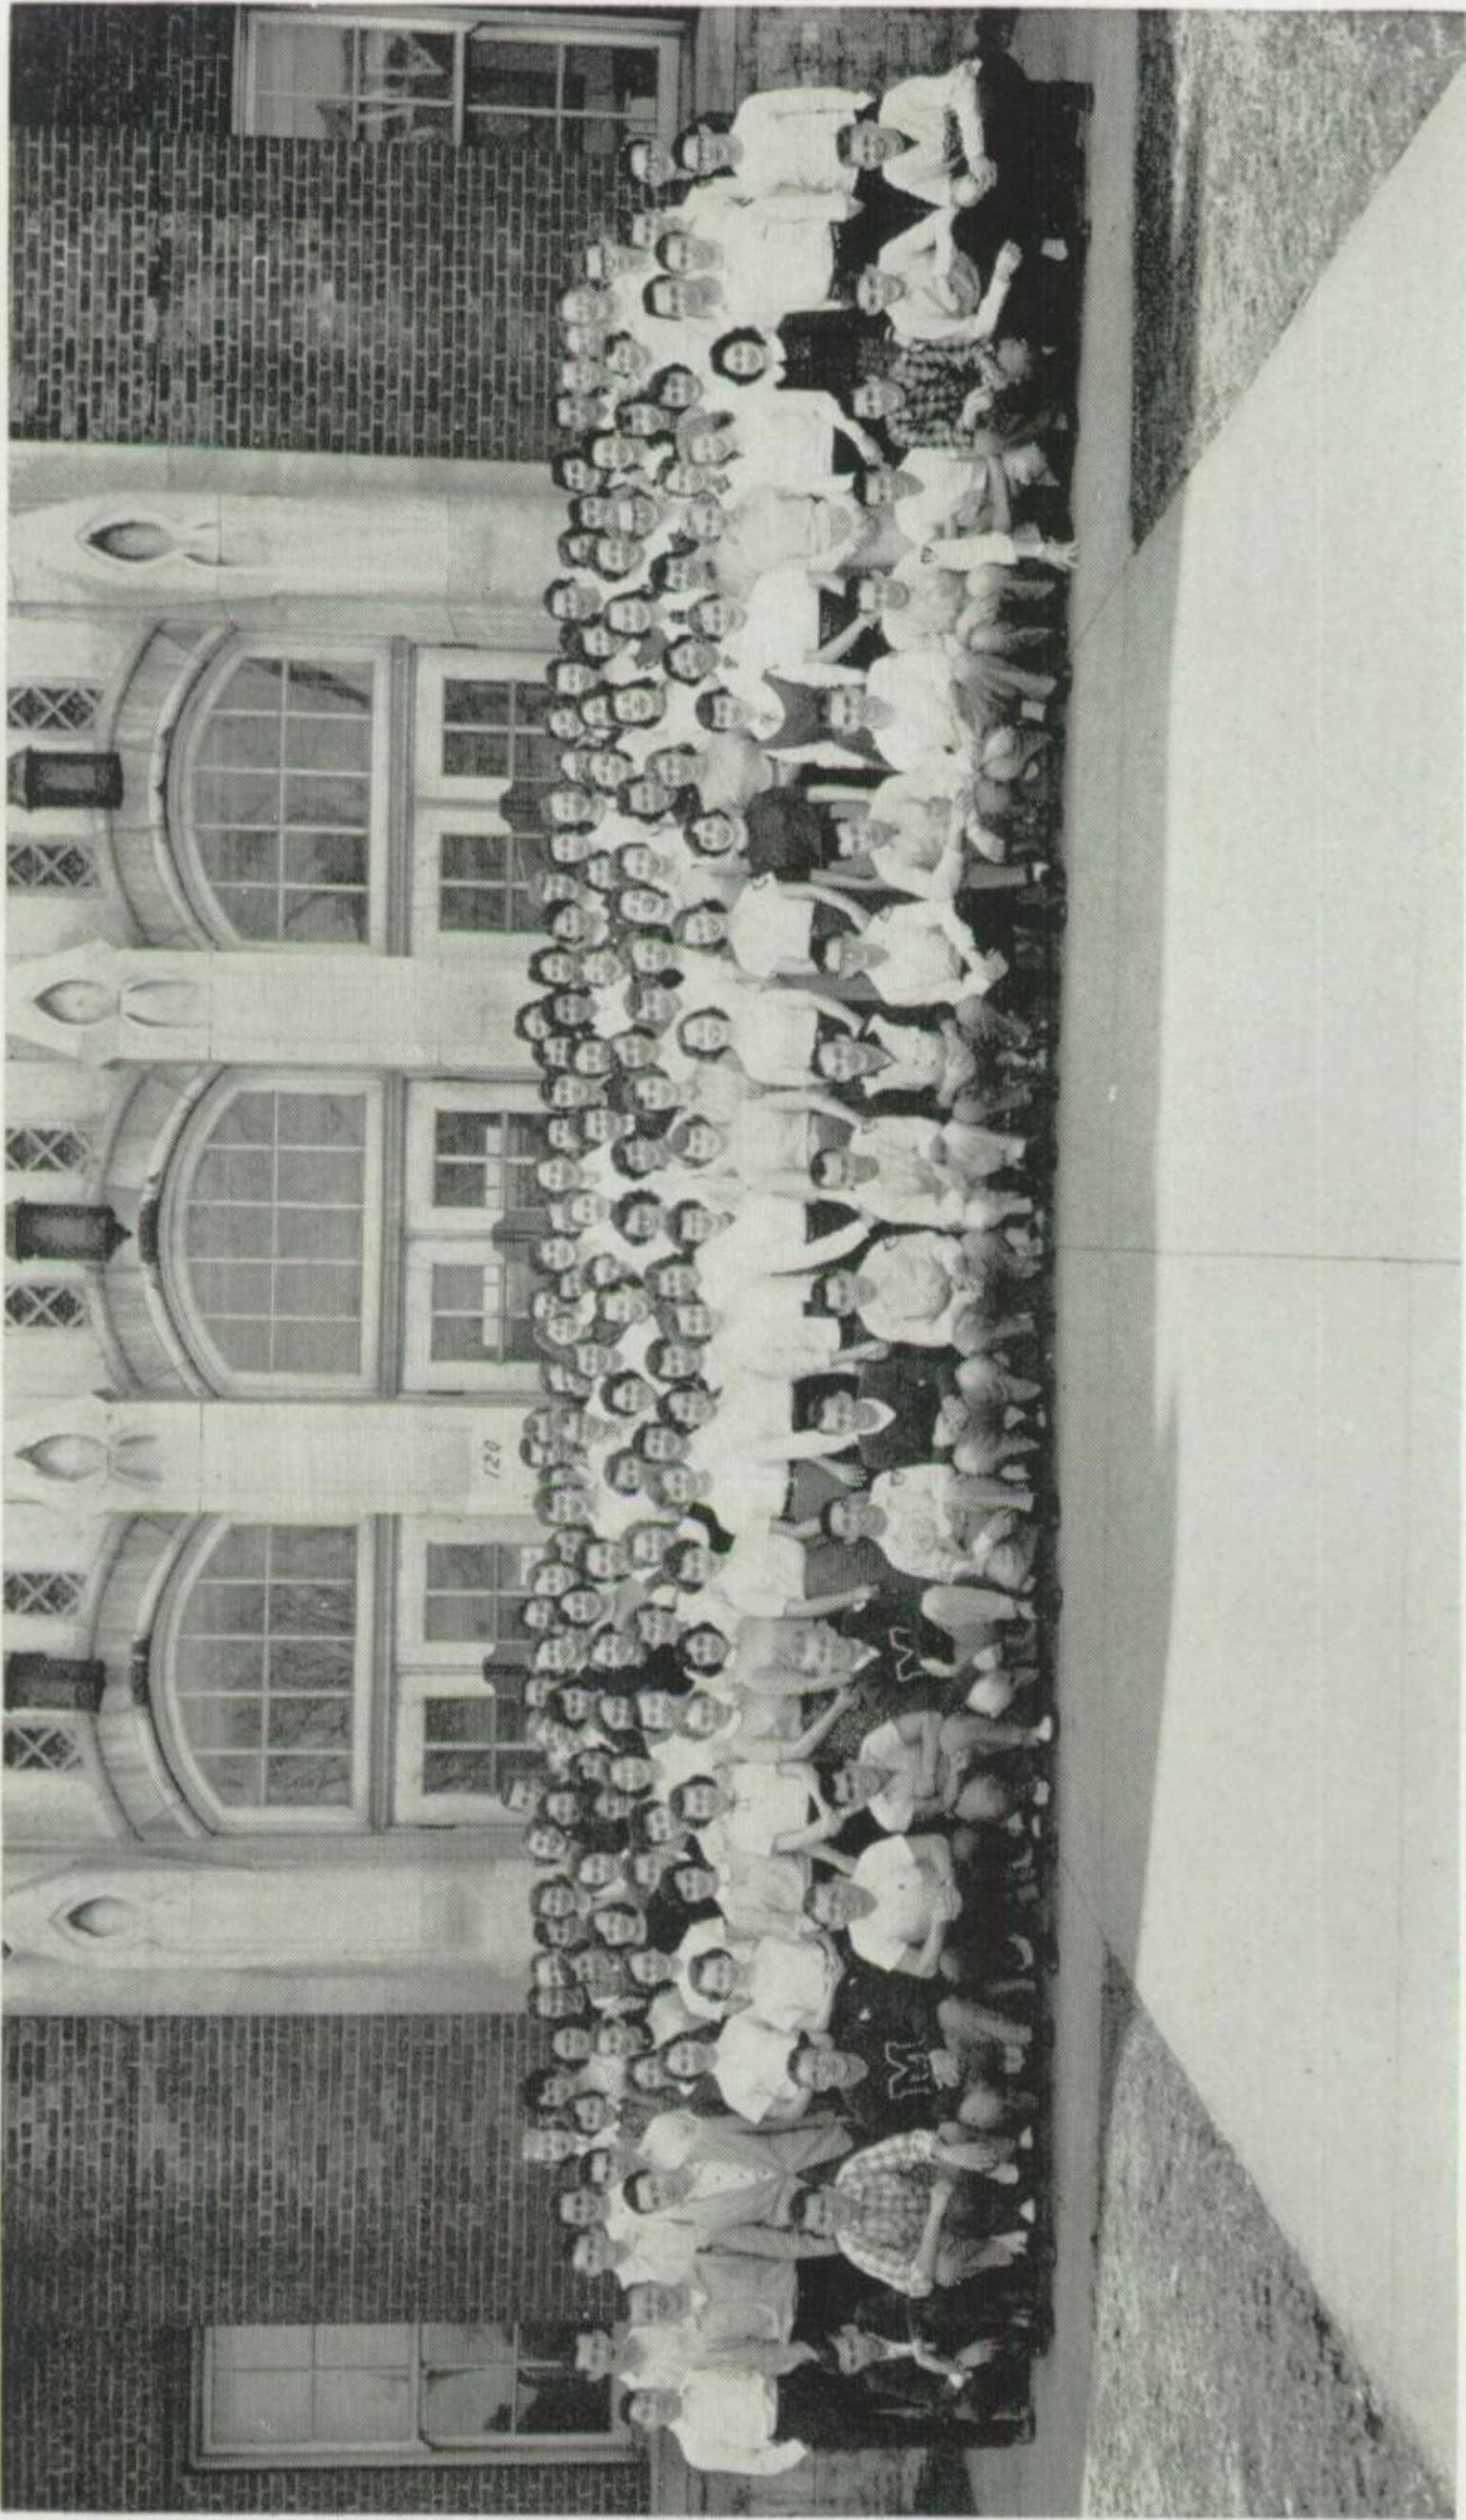

The Mixed Chorus has had a busy and interesting year. We have sung over WHAS in radio and TV and have sung for the Kiwanis Club and at several churches. During the week before Christmas, groups from the chorus sang carols at the Stewart Dry Goods Company. Our annual Christmas program with the Orchestra was highly commended and our participation in the Regional Music Festival was very successful. Many of our members received "superior" ratings in solo, trio, quartet, and ensemble. These students participated in the State Music Festival at Lexington, as did the chorus. Thirty-five members sang in the opera episode in connection with the All State Orchestra program presented at the Kentucky Education Association.

We bid farewell to our seniors and hope they will continue their interest in choral music by active participation in some musical organization.

The officers of the 1954-55 Mixed Chorus are:

President .....	Otis Hornback
Secretary .....	Allen Southall
Treasurer .....	Barbara Price
Librarian .....	Harold Bates

STUDENT COUNCIL

## Student Council

Every student in du Pont Manual is a member of the All-Student Association. We are very fortunate in having an organized Student Government. Through it, every student enjoys the opportunity of voicing opinions and electing representatives.

The primary functions of the Student Council are to help solve any problems which may arise and to promote student activities.

Every homeroom elects three people to the Council: a Representative, an Alternate, and a Publicity Chairman.

The representative attends the Student Council meetings and reports suggestions and complaints from his homeroom. He holds a meeting during the homeroom period on Mondays, in which he acquaints the students of his homeroom with the activities of the previous meeting.

The duty of the alternate is to carry on the representative's duties in case of his absence. He also acts as secretary in the Monday meetings and assists the representative in every way possible.

The duty of the publicity chairman is to keep the homeroom informed of the Student Council activities through active displays in the homeroom.

CHESS CLUB

## Chess Club

We have had a very successful year this year. Although we didn't have any tournaments with other schools, we have got something out of every game we played. It may not have been a new play, it may have been the sportsmanship, but whatever it was, I'm sure everyone has enjoyed himself. We have had a good size club this year and we hope we can have a bigger and better club next year.

We would like to congratulate each and every senior and wish him or her all the best of luck in the future.

From left to right in the picture members are:

First row: Phyllis Showalter, Nancy Binder (Sec.-Treas.), Beverly Purdom, Billy Meyer. Second row: David Crockett, Douglas Wuest, George Wright (Vice-President). Third row: John Davis, (President); John Moore, Mr. Reynolds, (Club Advisor); Gary Hume, Jack Dennes.

Again we congratulate all seniors. We hope many of you will join us next year. Remember if you can't play, we'll teach you.

Respectfully,

Nancy Binder, Secretary

President ..... Don Meyer

Vice President ..... Ed Walker

Secretary-Treasurer ..... Don Morrison

ART CLUB

## Art Club

The Art Club this year consisted of ten members, nine from the senior high and one junior high member. Organization of the club was a little later than in previous years. Late in November we elected officers and began to meet regularly every Thursday afternoon.

During our meetings at school, we worked on various projects. Making paper-mache figures for children in hospitals was our main project this year. These figures were presented around Easter.

Some of our field trips this year were to the Speed Museum as well as to the Art Club. Our most successful undertaking this year was a trip to Cincinnati on April 1, which the club sponsored. Miss Green and Miss Boyd accompanied the thirty-four students who took the trip. We visited the Art Museum, the Conservatory, and the Zoo. Everyone had a wonderful time. Officers this year were:

President .....Alma Smith

\*Secretary .....Margaret Braden

Treasurer .....Oscar Browner

Other members are Barbara Daugherty, Gary Fife, Barbara Daugherty, \*Carol Gardner, Karen Hemdahl, Deanne O'Leary, Bonnie Milby.

Y-TEENS

## Y-Teens

Y-Teens are wise teens. Let's have a look at some of the many things they do that make them wise. Service projects, such as making favors and Valentine gifts, Easter baskets, and Halloween masks for Children's Hospital, are all a big part of the program. All kinds of parties and tournaments and practice in many sports are the social and athletic activities. There are discussions and movies on different religions, brotherhoods, and other such serious subjects. A reward for all is friendship and fun.

A potato chip sale is an annual affair for the Y-Teens. The money helps pay some girl's way to attend Camp Chelan near Sellersburg, Indiana, and to a conference in Tennessee.

This year was the Centennial year for the Y.W.C.A. and there were programs concerning it.

There are over 300,000 Y-Teens in the United States.

As you can see, no matter what your interest may be—you will enjoy the Y-Teens. Why don't you come and see? Why not join next year the Y-Teens and become "a part of the act"?

Mary Ritchey

SPANISH CLUB

## Spanish Club

This year has been a very prosperous and active one for **El Pasatiempo**, Manual's Spanish Club. We have made trips to the Chili Bowl, had a Christmas party, made and sold puppets, written to pen-pals in South America, seen movies of Mexico, and learned much about the Spanish language by playing interesting and entertaining games. A picnic will be given in May to climax our year's program.

**El Pasatiempo** is under the splendid guidance of Miss Givens, who has done a wonderful job with the club.

This year we have had the largest membership the club has ever had.

## Manual Orchestra

The Manual Orchestra is completing a very illustrious year. We were the only high school orchestra that performed at the National Educators' Music Conference and the Music Teachers' String Association. The applause and favorable comments of the teachers made each member proud to be a part of this organization representing Manual.

Among the numbers played this year were two commissioned works of the Louisville Philharmonic Orchestra.

The large crowd at our Spring Concert enjoyed the performance given by the Concert and Symphony Orchestras. This program also featured an oboe solo by Mary Ann Moore and a number featuring the first violin section.

The Concert Orchestra has visited several junior highs. The purpose of these visits is to interest the students in the music department. We wish all the graduating members the best of luck in their chosen careers.

duPont Manual Concert Band 1955

Frank  
Camp PHOTO

# Manual Band

The Concert Band has been very active during the past month. We have played concerts at Highland and Manly Jr. Highs, performed at our annual Spring Concert, and on Saturday, April 2, competed with solos and ensembles in the Regional Music Festival at Southern High School. Again this year Manual came away with more "Superior" ratings than any other school entered. The band took 37 "Superiors"—23 solos and 14 ensembles. Every section of the band was represented by at least one "Superior," in both solos and ensembles.

Our Concert Band this year numbers 99 members of which 24 are seniors, 35 are juniors, 23 are sophomores, and 17 are junior high students.

During the first semester the Marching Band of 120 members was active at all of the football games. The members practiced faithfully intricate formations, which were performed at these games.

Manual is very proud of both its Marching Band and Concert Band.

Pat Schubert, Secretary

The past year has been a year of making new friends and strengthening old friendships for all "Key Clubbers." The graduating seniors wish all possible luck and success to the Key Club for next year.

STUDENT COUNCIL EXECUTIVE BOARD

## Student Council Executive Board

The success of any project depends on the planning behind it. The Executive Board is the planning committee of the Student Council. Elected from their English units, the members serve for the remainder of their school life. Character, leadership, an average of 80% in each subject, and a good attendance record are the requirements for nomination to the Executive Board, and these standards have to be maintained.

The members of the Board serve as chairmen of committees, which carry out the work of the Student Council.

From the Student Council Executive Board are chosen all the officers of the All-Student Association. As the whole student government plan of our school depends on the Executive Board for guidance and execution of plans, it is important that its personnel be chosen with care. We now have a very efficient, wide awake Executive Board doing an excellent job.

CAMERA CLUB

## Camera Club

The Camera Club drove to Bernheim Forest on April 30 for a picnic. We took a lunch and spent the afternoon there.

RADIO CLUB

## Radio Club

The duPont Manual Amateur Radio Club is an organization licensed by the Federal Communications Commission to train prospective students to obtain their Amateur Radio License. The club meets in Radio Shop, room 353, every morning, where students practice code and learn amateur radio operating.

The club has a 1000 watt Radio-Telephone and Radio-Telegraph station with the call letters W4LJN. The station is on the air almost everyday and students contact many amateurs throughout the world.

To join the club enrollment in Radio 1 is required and an Amateur Radio License must be obtained within two semesters or one semester and a summer.

Anyone interested in amateur radio may contact any of the club members or Mr. Frederick, trustee of the club. There is always room for new members that want to learn amateur radio. Girls will be admitted into the club for the first time next year. Let us hear from you. We are heard throughout the world.

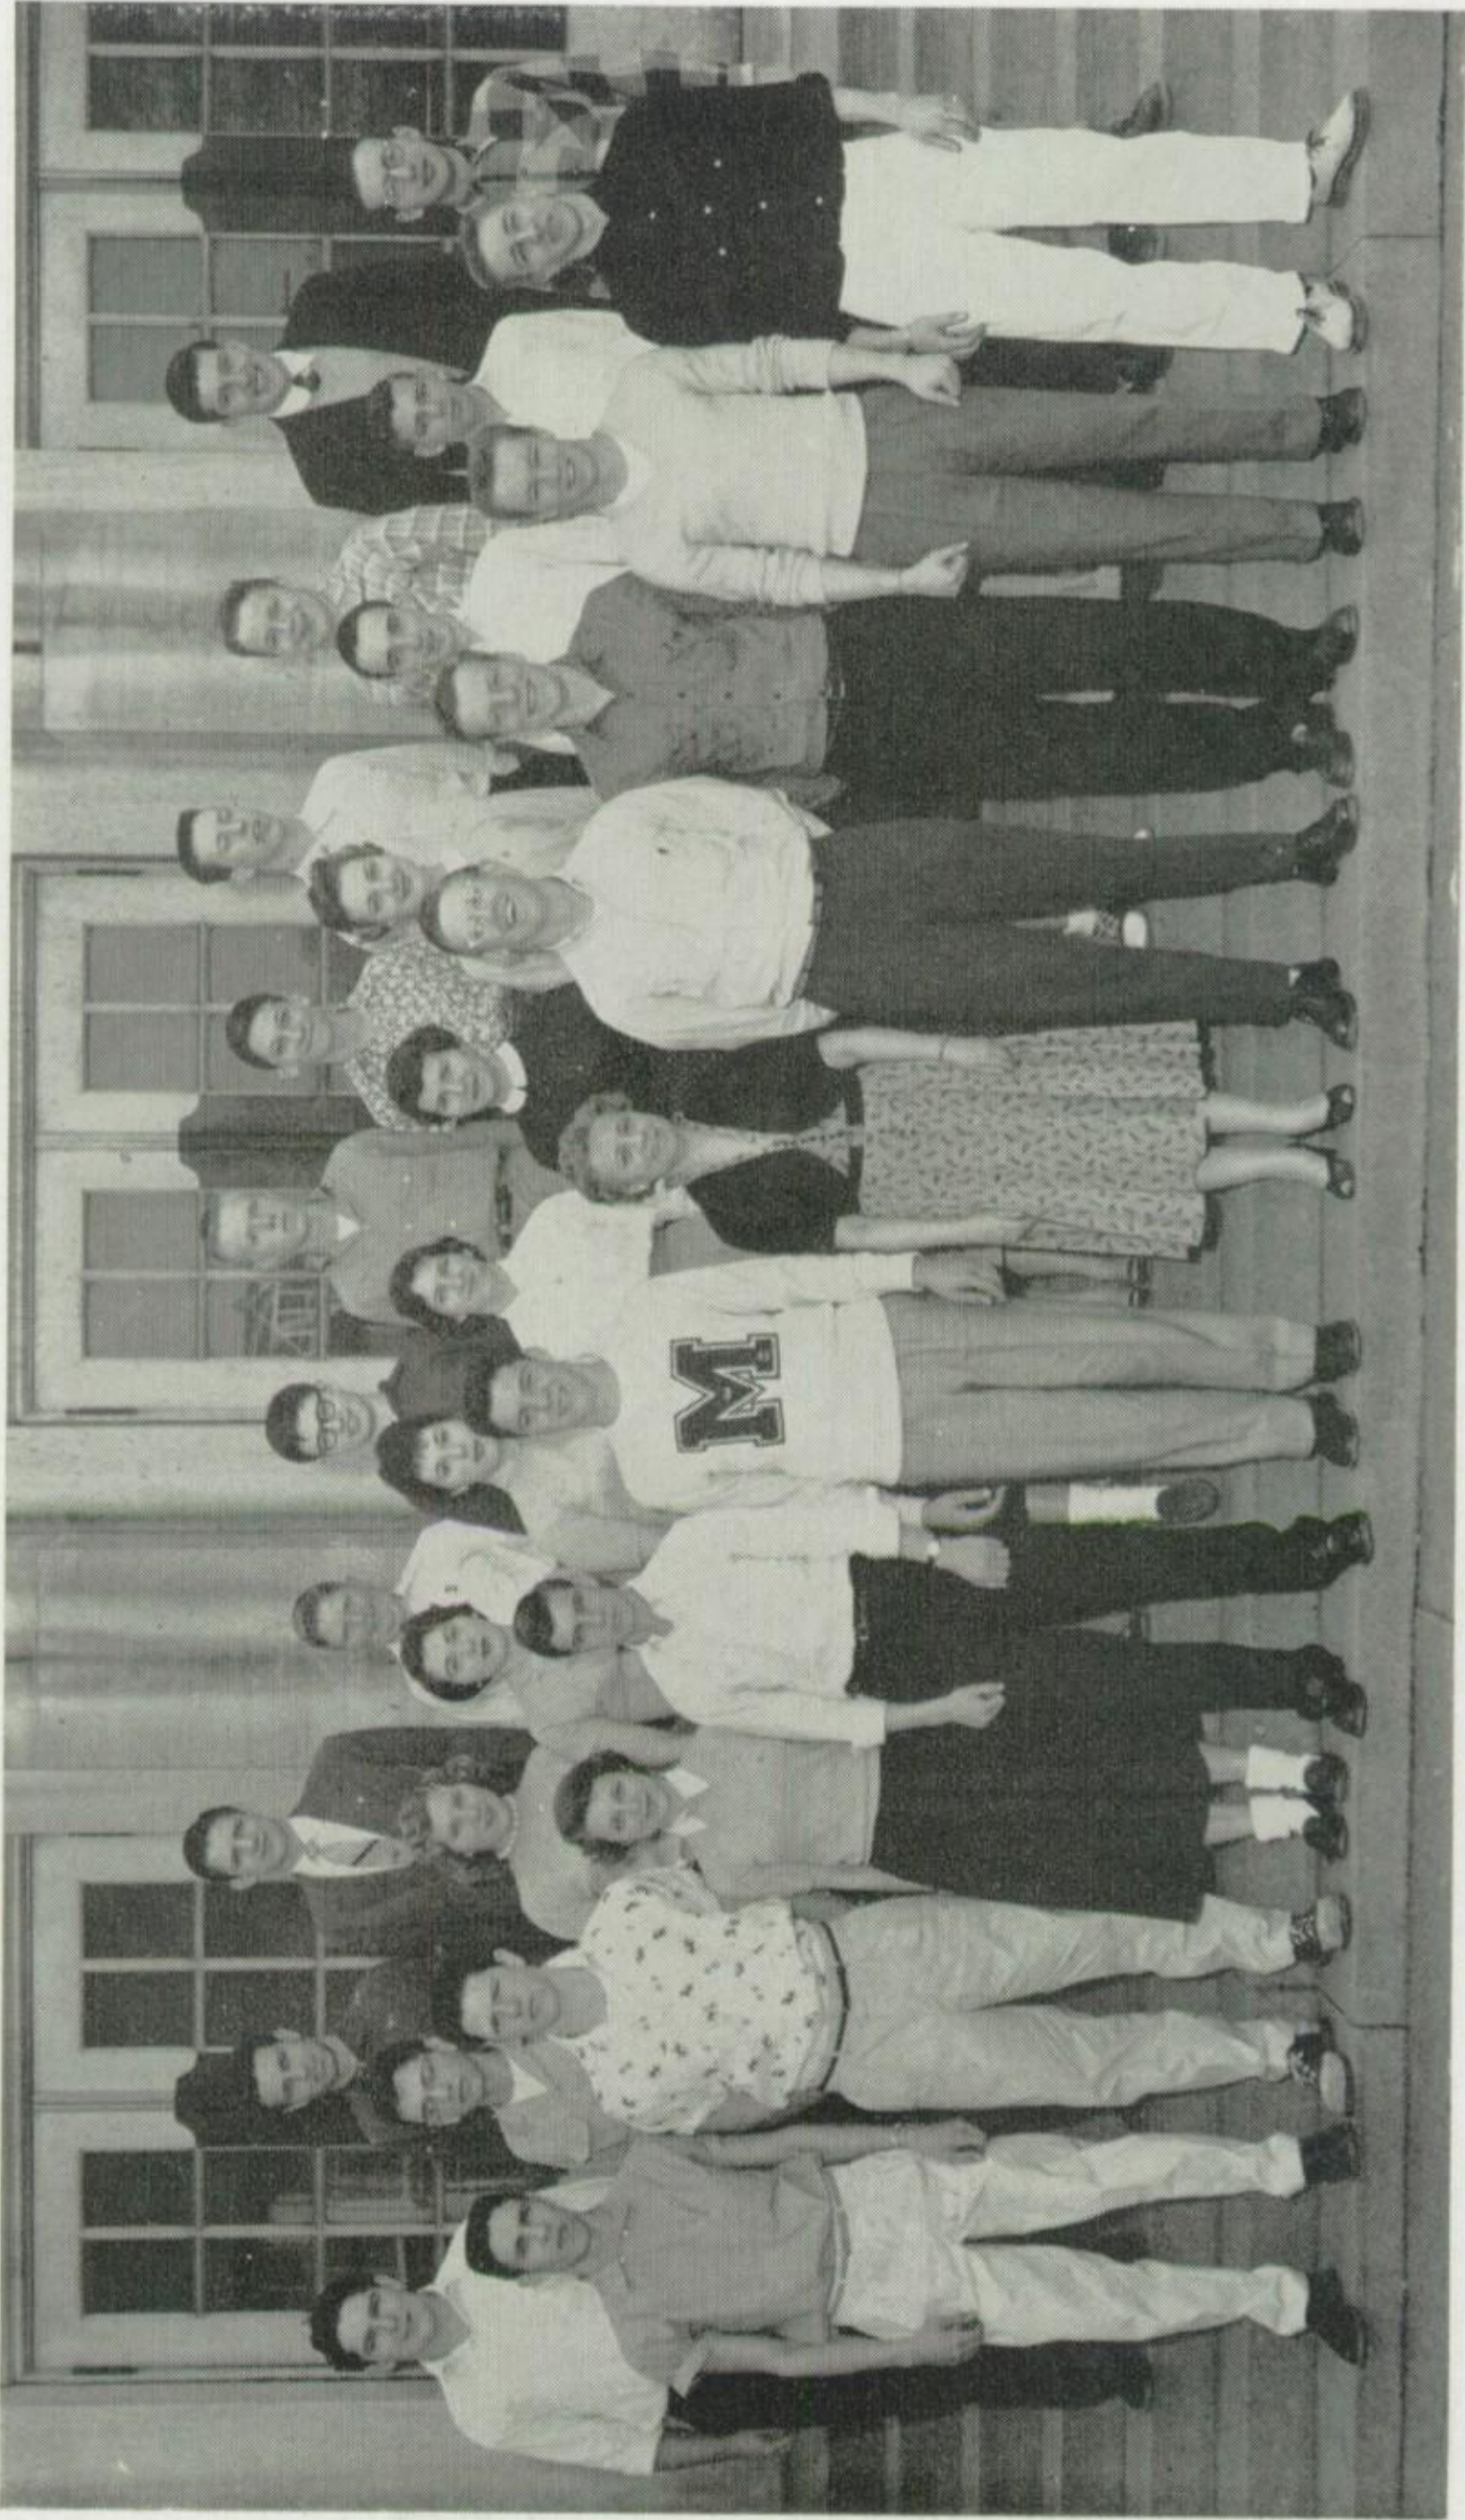

The officers are:

President .....John Pitcock

Vice-President .....Robert Williamson

Secretary-Treasurer .....Jerry Schmitt

AUDIO-VISUAL SERVICES

# Audio-Visual Education

We should all be proud of our audio-visual department, which is considered one of the best in the state. Our equipment consists of motion picture, filmstrip, and opaque projectors; record players; records; and a splendid centralized sound system. Two direct telephone lines from the Louisville Free Public Library to our school give us access to the thousands of recordings and transcriptions which can be piped into our classrooms.

The service is operated by students under the able direction of Miss Olga Schmutz.

Miss Schmutz will lose the following hard-working seniors:

Mary Adams  
Beverly Lerner  
Ernest Miller  
Robert Davis  
Linus Senhen

## 1952½

This year something new was added to the Manual roster of opponents. The newcomers to the city football circuit were Eastern, Shawnee, Atherton, and Southern. Manual defeated all of these, plus St. X, to give them a 5-5 record. The Reds also received a bid to play in a bowl game in Pensacola, Fla. but were forced to decline because of a ruling then in force. Co-Captains Bob Stoll and Clyde Boston led the team in the big one against Male succumbing 30-0.

## 1953½

Manual had the smallest team in its history this year. They were small in size but had a fighting spirit of giants. The Reds won 4, lost 6, and tied 1. Manual tied a highly favored Flaget team and had victories over Eastern, Valley, and Southern. In the annual Turkey Day game Manual outplayed and outfought Male in every aspect but the Purples were lucky enough to slip past us by the score of 14-13. Bobby Ferriell and Bob Woolfolk were the able captains of this year's squad. This was Mike Basrak's last year as head football coach at Manual.

## 1954½

One of Manual's hardest fighting and highest spirited teams ever to play at the Manual Stadium was led by Co-Captains Charlie Barnett and Joe Brown.

From a very tough schedule the "Big Reds" compiled a four win, five loss, and two tie season. Many of the losses were by very close scores, and the two ties were with top teams. Mr. William Jasper took over the "Big Reds" this season, and it looks as though he will do a fine job as head coach. Another surprise for Manual this season was the acquirement of the former Manual All-State end and University of Kentucky star, Mr. James Proffitt, as the new end coach, succeeding Mr. Homer Jackson.

Varsity Basketball Team and Coaches Riffey and Casillo.

# Basketball

## 1952-53

Even though Coach Riffey had an inexperienced group of boys, they had that true Manual spirit. Although the record wasn't impressive, 11 wins and 11 defeats, they won impressive victories over Flaget and Male. The team, captained by Malcolm Roessler and led in serving by Ronnie Whitehouse, never started to move until the last part of the season. Leaders in this year's campaign were Ronnie Whitehouse, Phil Shartzter, "Duffy" Franklin, and Captain Roessler.

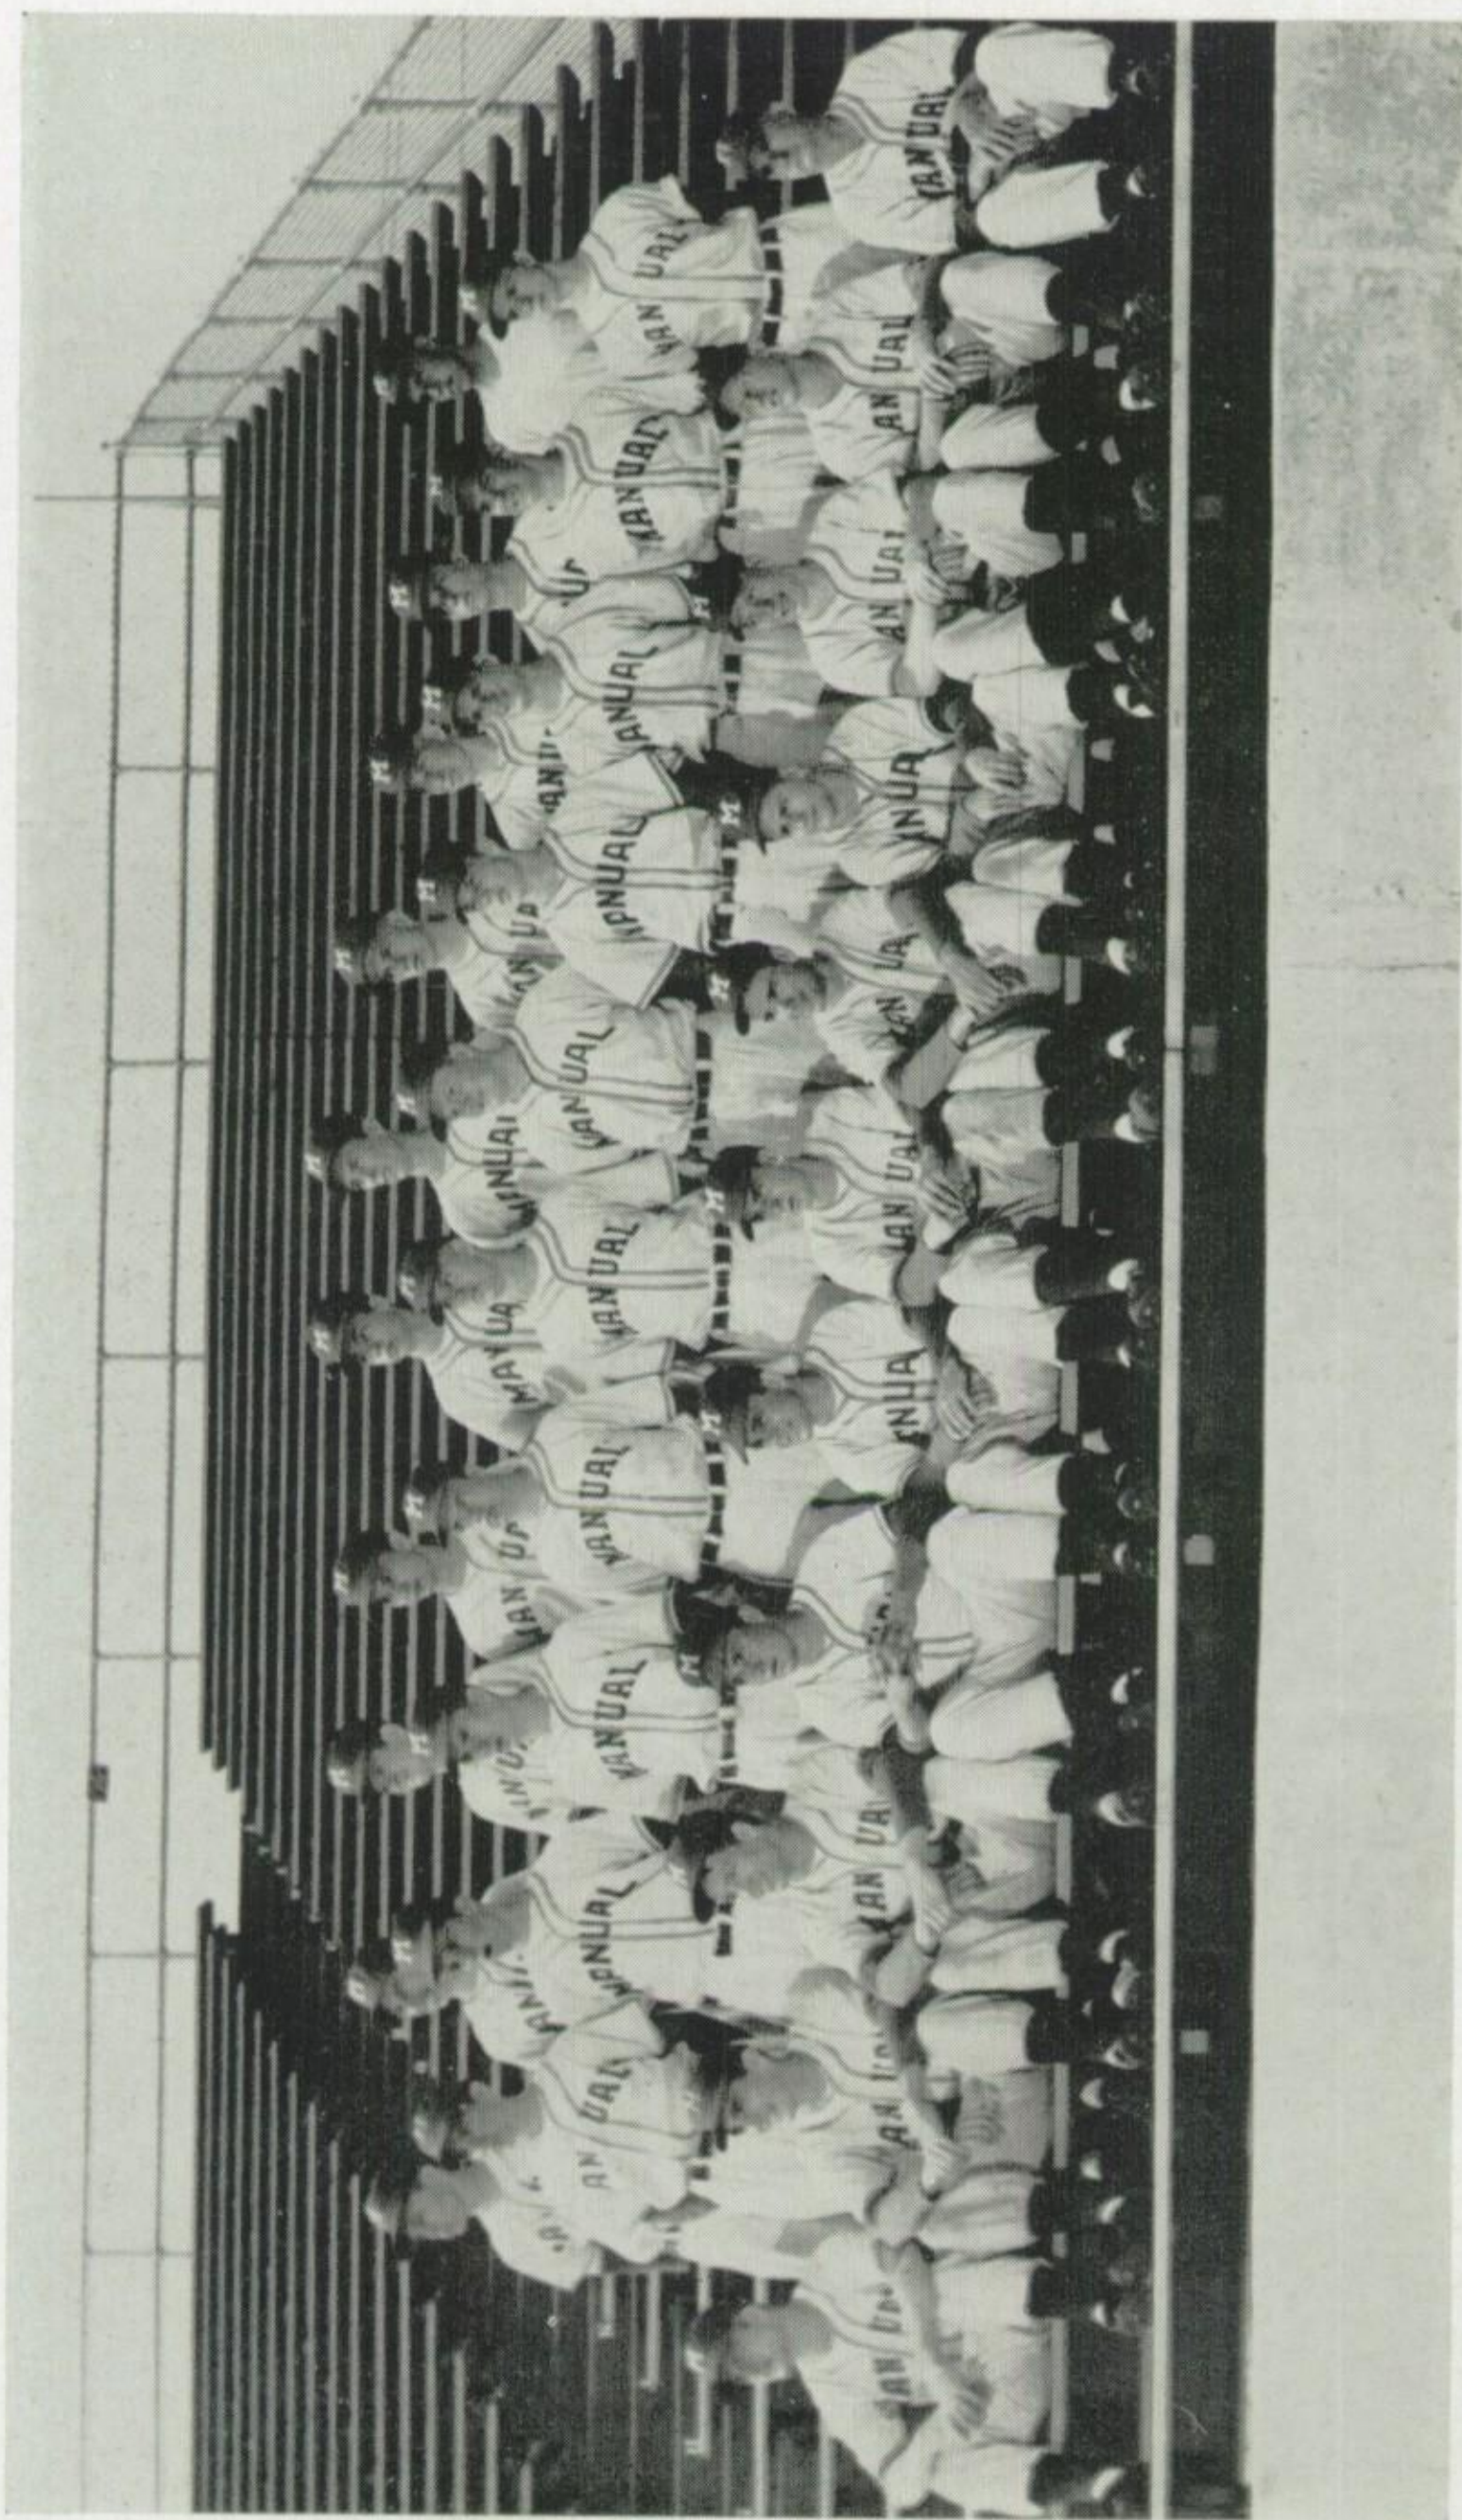

## 1953-1954

Coached by Mr. Jim Riffey, the "Hard Luck Kids" compiled an over-all record of twenty-one wins and four defeats that everyone was proud of. Displaying an unequaled team spirit and desire to win, the Big Reds defeated six of the top ten teams in the state and won victories over every team in the seventh region. We went into the district tournament with our center, Earl Beyl, and guard, Phil Shartzter, nursing injuries and lost a heart-breaker to Flaget, 62-60, on a last minute shot. We here at Manual feel that if the team had been at full strength, they could have gone far in the state and there is no doubt that Manual had the best team in this region. The leading play-makers this year were Captain Phil Shartzter, Earl Beyl, Louie Vassie, Pete Tomerlin, Norman Kercher, Don Murphy, and Bill Moseley.

## 1954-1955

The basketball team, led by Captain Bill Moseley, had a good season, winning 14 games while losing only 8 during the regular playing season. They lost a very close game to Flaget in the semi-finals of the District Tournament, 69 to 67. Coach Jim Riffey will miss the fighting ability of such boys as Bill Moseley, George Janes, "Rusty" Wright, Jim Catinna, Tom Kannapel and Ken Hartlage, but he will be looking forward to next season with Co-Captains Jim Self and Don Gambrall, and all the other returning boys.

VARSITY BASEBALL TEAM

# Baseball

## 1953

Mr. Kimmel and his boys, up to their usual standards, did it again. Led by seven letter men and Captain Duffy Franklin and Co-Captain "Bo" Carter, the Big Reds won the city championship. Tom Lovell pitched a no-hitter in the district bout, but the team lost a heartbreaker, 4-3. Their record for 1953: won 25, lost 3.

## 1954

Even though Mr. Kimmel lost 11 lettermen from last year's team, the returning boys and several fine boys up from the J.V. team led the squad to a fine season (22 wins and 6 losses). Captained by Louie Vassie and Eddie Duncan, the team carried on in the true Manual spirit and upheld the Manual tradition in baseball.

## 1955

Mr. Kimmel is looking forward to another winning season. Although some of Manual's greatest baseball players graduated last year, Mr. Kimmel is hoping that his returning letterment will pile up some more wins on his outstanding record of 379 wins and 95 losses. During his 23 years of coaching at Manual he has won 7 State Championships, 15 City Championships, 10 Falls City Championships, 3 Ohio-Indiana Championships, and 4 Regional Championships. In the four year period since moving to Second and Lee Streets, his record stands at 102 wins, 13 losses, 2 City Championships and 1 State Title. Captain Joe Dawson and Co-Captain Herby Knecht will try to pitch Manual to another State Championship.

Bottom—Varsity Golf Team

# Swimming

1953

After a slow start this year the team really got rolling in time for the State Meet in Lexington, Kentucky. The team couldn't be tagged outstanding this year but it was one of the better ones in the city. Co-Captained by Don Dean and Barrett Short of the 1952 squad, they held their own in all meets in which they participated.

1954

Working under the handicap of no place to practice and without a coach, Manual's "orphan" team did a fine job with Mr. R. P. Kerr acting as supervisor. Under him the Tankmen tied Atherton in their only scheduled meet. In the state, Co-Captains Bob Leonhardt and Randy Waldron led the team to a hard earned fourth.

1955

This year the swimming team, coached by Mr. Robert Kerr, consists of eleven boys. They are John Bierbaum, Bob Will, Mike Hemmer, George Brown, Don Schuler, Billy Clarkson, Bob Charmoli, Evarts English, George Bingham, Charles Woodside, and Jerry Peters.

# Golf

1953

This was a big season for the golfmen at Manual, with three men back from last year's squad. The linksmen had a record of 12 wins and 2 losses. Leading the team were Captain Harold Tyree, his brother Eddie, Randall Hopewell, John Potter, and Dan Wiggins.

1954

With Capt. Eddie Tyree at the helm, Randall Hopewell, John Codey, Gerald Leach, Daniel Wiggins, Larry Oslin, and Lenvil Hurt carried Manual golf to a fine season, one of their best. Manual can well be proud of her "Linksmen."

1955

The golf team, coached by Mr. Bill Jasper, will have Dan Wiggins as its captain this season. Other members of the team are: John Codey, Tom Oursler, "Doc" Patrick, Don Lencke, Russell Williams and Ernie Miller.

VARSITY TRACK TEAM

# Track

## 1953

Hindered by the loss of the graduating seniors, Mr. Charmoli found himself with a group of "green" boys out for track. They surprised everyone, however, taking all five dual meets they participated in and qualified three boys for the state meet. Outstanding this year were Leroy Huehls, Norm Franklin, Sonny Woods, Dan Godby, Joe Maloney, Jim Gibson, and Jim Hudson.

## 1954

For having to practice in the school yard, the track team did a fine job for Manual. Mr. Charmoli had only four returning lettermen but he built a fine team around them. After dropping the first two meets to fine Indiana high school teams, they took a triangular meet with Eastern and Shawnee and a fourth place in the New Albany Relays.

## 1955

Mr. Charmoli will be depending on his returning lettermen this season to bring some wins home. Some of these returning lettermen are Evarts English, Ed. Monheimer, Mike Hemmer. The team has been working out at the stadium and seems to be ready to win quite a few meets.

# Yes, the World Is All Yours

Your education is just beginning when you get your diploma. The world is calling for your talents. You may choose science, the professions, business, politics . . . with ample social, material and spiritual rewards available according to the amount of effort and ability you put into what you do. Never in history has there been greater opportunity for youngmen and women to get somewhere and be somebody . . never a time of greater need for them to help make our civilization work.

## **THE OPTIMIST CREED**

### *Promise Yourself—*

- To be so strong that nothing can disturb your peace of mind.
- To talk health, happiness and prosperity to every person you meet.
- To make all your friends feel that there is something in them.
- To look at the sunny side of everything and make your optimism come true.
- To think only of the best, to work only for the best and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
